

THIRD ANNUAL REPORT OF THE SERVICES BOWLING CLUB

JULY 25th. 1960.

FOR HISTORICAL RECORD

PRESIDENT'S REPORT

FELLOW BOWLERS: I again have pleasure in submitting, this the Third Annual report of the activities of the Club over the past year.

PENNANT PLAY: Alas ! Alas ! we did not do so well. However it is better to have played and lost, than never to have played at all. *6 or last year* I feel that although the team have been unsuccessful the members participating have gained valuable experience.

INTER CLUB PLAY: The 3 bowls three players proved rather successful. However this event was a popular game throughout the district and consequently did not return to the Club the support anticipated. This feature could be a recommendation to the ~~in~~ incoming committee in drawing up the programme for the ensuing year, and to make sure that the programme is not overloaded in the open events.

NIGHT PENNANT PLAY: This competition proved again the benefits to be gained by the reciprocal play with the Corowa Club. Although we again lost, but only by a slight margin, for the Isaac Davis trophy, I feel that it is enabling the members of the Club to gain good match experience, and the benefit of fraternisation with other bowlers.

CLUB COMPETITIONS: On behalf of my committee I must take cover from the criticism which may be levelled at us. These competitions were difficult to organise, due to the full programme laid down. However we have reached finality in the "A" grade championship and "B" grade championship.

were
These ~~was~~ won by Don Stewart and Bruce Chandler respectively

I would like to extend my congratulations to these two members on achieving in their grades the ultimate.

The various minor competitions resulted ? Sorry.
