EARLY FORMATION OF THE COROWA SERVICES BOWLS CLUB GREEN 1955

Construction of a new bowling green at the Corowa United Servicemen's Memorial Club was instigated, when Mr. F. Sammons, President of the C.U.S.M.C., in his Annual Report of 1955 said, that after a very successful year in which the membership of the Club grew to 448, it was time to lay a bowling green.

The land, which had previously been an orchard and owned by Dr. Barnard, had been cleared by Mr. Gordon Poidevin. The fruit trees had been winched and grubbed in anticipation of the construction of the green.

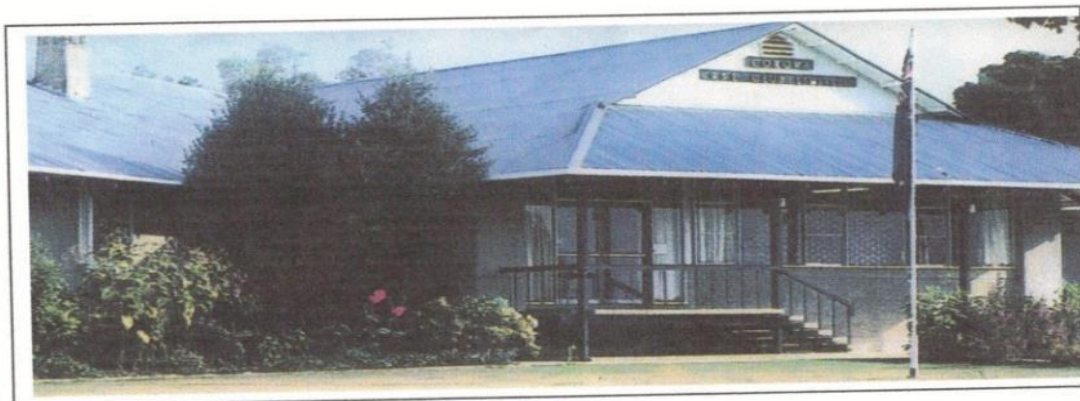

Mr. Jock Cullen of Colston Timbers used a bulldozer to level the site, and Mr. Bailey Macartney who was a World War 1 Digger and an outdoor worker of the Club, constructed ditches and other hand work on site. It was all done under the supervision of Mr. Cyril Platt, a committee member of the C.U.S.M.C.

Sometime in 1956, a sub committee was formed to oversee construction and the following members were elected.

Mr. Cyril Platt, Mr. Eric Harrison, Mr. Pat Costello, and Mr. Don Stewart. All were Returned Servicemen whom had previous bowling experience at the Corowa Bowling Club.

Mr. Alec. Jamieson an earth moving contractor, formed all the surrounds of the new green. The grass was sown in 1957, and was ready to be opened on the 8th March 1958 by Mr. Clem Hill, Councillor representing the Royal Victorian Bowling Association.

COROWA SERVICES BOWLING CLUB

1957 - 2006

OFFICIAL OPENING

The official opening of the new bowling green took place on the 8th March 1957, After rain had soaked the green the previous day, committeemen worked late into the night draining water from the surface, and , on the big day, the sun peeped through . With conditions very humid , the green was a trifle heavy but very true

Mr.J. A.Lawson , M .L.A., Mr W. Johnson , Shire Pres. Mr. A. Hill, representing the **R.V.B.A. , Mr.Cyril Pratt** , Bowling Club President, and representitives from _Rutherglen, Ovens and Murray, Walla Walla , Wodonga, Oaklands, Culcairn, and Urana, were all full of praise for the way in which the green was presented. The oldest member present was **Mr. John Izon**, formerly a very keen bowler himself.

The President of the United Servicemen`s Club , **Mr F. Sammons**, welcomed everyone, and recalled that the club had been in existence for only 8 years. During that time, with the help of the Ladies Auxilary, membership had grown to over 450, and that it was pretty unique in the fact that the club had been able to build and complete a bowling green , in such a short time .

Mrs. Lilian Parkin, Pres. Ladies Auxilary, sent down the first jack, and **Mrs. J. Lawson**, the first bowl

Mr. Lawson M.L.A., congratulated the club on it`s community effort . He said that they had done something not only for the club but also for the district , and were looking towards a bright future

Cont. **KEY YEARS AND EVENTS 1957 – 1964**

Mr. Lawson also cited the following quote ---

“A good bowler is a man who can smile when beaten, smile with the man who defeats him, and the man he defeats, and when he enters the clubroom, he leaves his bias on the green ”

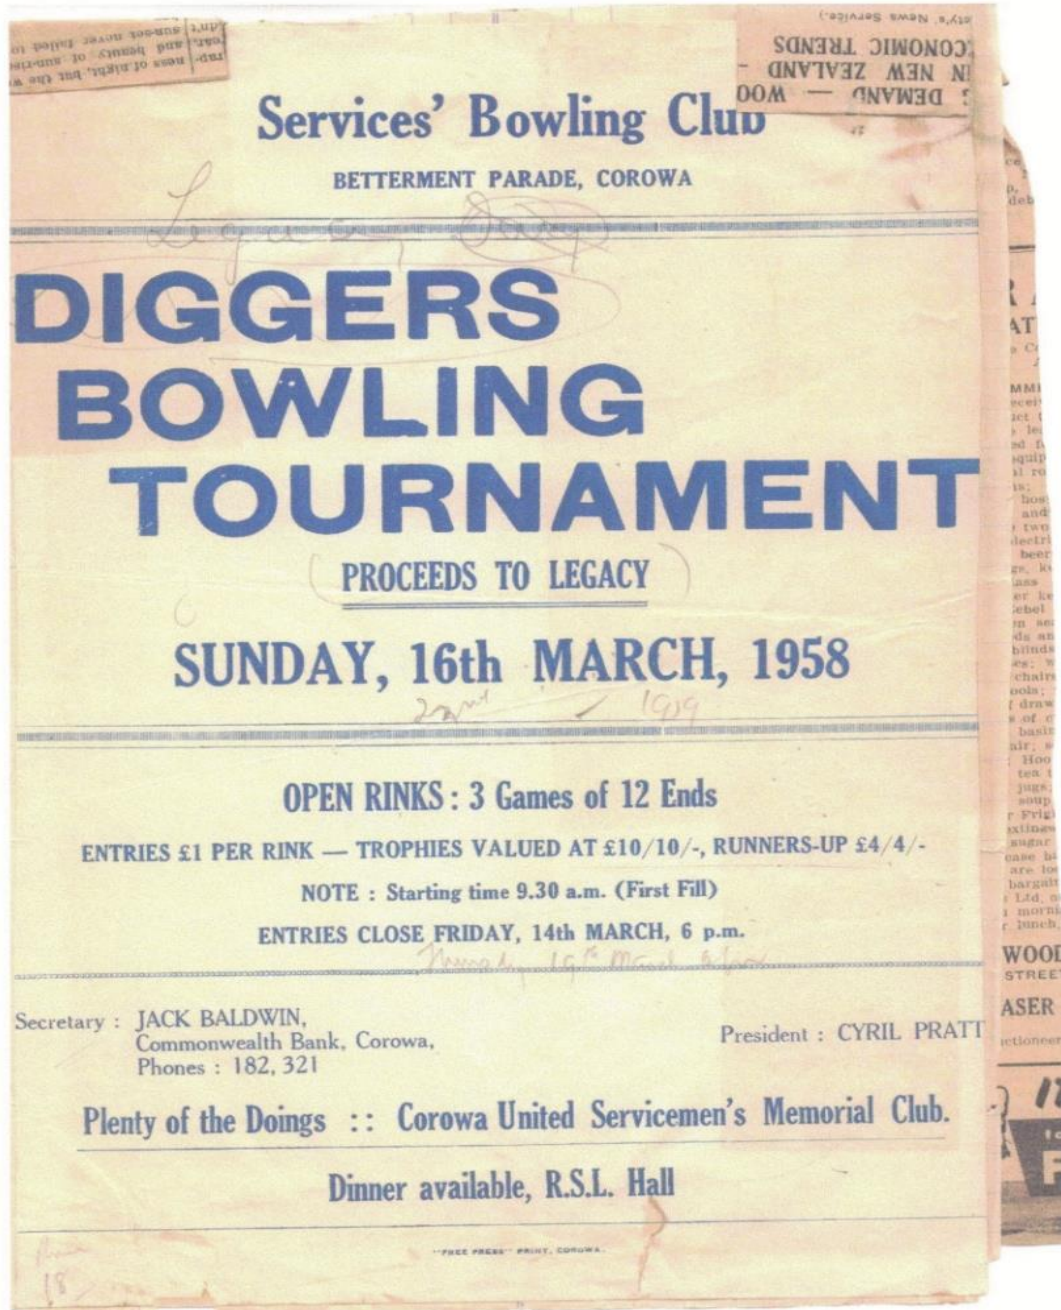

Afterwards everyone enjoyed afternoon tea, at which **Mr. Pratt** – Toasted the Queen. Presentations were carried out to the winners 16th March The first **Legacy Day** was held on 16th March 1957 and won by **Mr. Goldsworthy**'s team from Wangaratta. Teams from up to 70 miles away were represented. The rinks used from 9.30am till 9.00pm.

July 1958 First Annual Meeting. Sec. **Mr. J. Baldwin** stated that the club had a most successful season. 1500 pounds spent on equipment, and that **Frank Bell** (greenkeeper) had passed exams at 100% for turf culture. Membership stood at 70 .Pennant teams had also been entered in the **Ovens & Murray Assoc.** for the coming season.

July 1959 Annual Meeting. **Pres. Platt** Thanked all concerned especially **Mr. F. Sammons** and **Mr. Perc Smith** for ” matters green”.
footnote (It was noted that wire netting had been erected along the roadway to the north of the green, to deter any unwanted stray animals from cavorting on the green.)

A touch of humor was introduced by **Jack Baldwin** when reading the “minutes of last meeting that “ **Roy Lindeman be debarred from using his steamrollers, and be instructed to use 4 1/2 inch bowls.**” It was also suggested that a tournament of 3 men 3 bowls be played on 1st Sunday in each month , **definetly male only !!**

KEY YEARS AND EVENTS 1957 - 1963

A.G.M. July 1960 Only 54 members holding club together.

25 present at meeting. Pennant teams were soundly beaten in season but with some new blood should rise next year..

Dec.1960 Sad death of **Mr. F.R.Sammons** Pres. Corowa Servicemens Club, prime mover of the establishment of the Bowling Club.

A G M. July 61 **Mr. Harold Hamilton** elected new President. Members set aside a Sunday to receive tuition. Pennant teams still trying although on bottom of ladder, and should look forward to a better year next year.

A.G.M. July 62 Night Pennant played for 1st time. Very successful. Day Pennant competed in 2nd Div. and although we did not make the four we made our presence felt. The standard of play has improved a lot, and we should do better next year.!! **Geelong And District** visited and after 2 games of 10 ends and quite a few glasses were taken on tour of Corowa which they were greatly taken with

Pres. Hamilton also thanked all the members who “*put aside their lawns and woodcutting , to represent at their expense , the club in various tournaments around the district.*”

1963 Sudden death of **Mr Bruce Chandler (Happy)** at the young age of 43. A well known, popular, and most highly respected member , Bruce Worked at Messrs, **Sammons, Edwards and Co** , in Corowa and at the time of his death was assisstant manager. Members of the Corowa branch of the R.S.L. bowls formed a guard of honour at the church and cemetary.

KEY YEARS AND EVENTS 1963

Death of Mr. Cyril Pratt 19 / 11 / 63. Pres. 1957 – 61.

Cyril started bowling in 1942 with the Corowa Bowling Club. Club Champion in 1950 he was a constant player with that club until the Corowa Services Club was formed in 1956, in which he was instrumental was presented with a Life Membership in 1962. in forming. He was elected President at it's first Annual Meeting and continued in that office till ill health forced his retirement He was responsible for the lighting on the green , and carried out that work single handed , which has given we bowlers much night time pleasure.

Ovens and Murray President Mr R. Flanders in his tribute said that -- We cannot afford to lose the calibre of Cyril Pratt. Known and loved by hundreds of bowlers in the North East , Cyril was a magnificent team mate and a keen opponent , who never failed to inspire his team ,and give full credit to his opponents . He will be sadly missed by all , especially Corowa Services!!

A. G. M Aug 63 . meeting looked as though the Services would not be entering Pennant teams in the forthcoming season after a lowly finish last year but, after much discussion it was decided to try again . Members are concerned at the lack of interest being shown in the bowling activities and are urged to take part in practise and pennant. A day is to be put aside for a once only **Happy Chandler Trophy.**

Members are encouraged to seek out any person that might be interested in playing bowls, and to nurture them into the club. More players are badly wanted to fly the pennant flag.

KEY YEARS AND EVENTS 1964 - 65

A.G.M. 1964 Membership of the bowling club has dropped to 40 in number. The club again competed in the 2nd Division of the **Ovens & Murray Pennants**. We did not do as well as expected and, unfortunately our play was mostly away ,owing to our new green not being ready until late in the season. The **R.B.Chandler Memorial Day** was a great success and his photo was placed in the Bowling Club rooms. The club also lost the services of **Harold Hamilton**, who has shifted to better his butchery business. He will be sadly missed, as he has given great service to the club.

A.G.M. 1965 There are no records of the A.G.M. for 1965 except for the election of the office bearers.

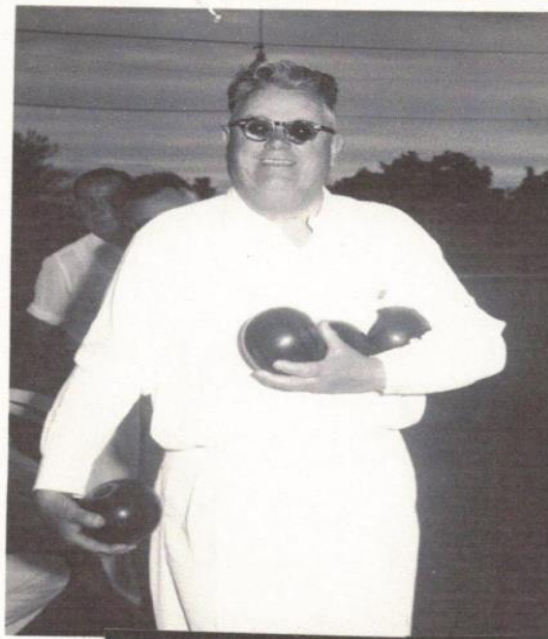

Committee Members 1966-67

Front Row J. Roach R.Adlington W. Roach

KEY YEARS AND EVENTS 1966

G.M. 1966. **President Fred Spring** reported that the club has 70 members and growing. Tuesday nights had proved very popular for social bowlers, and it was hoped that a few more pennant bowlers may be gained from this competition. Pennant was again played in 2nd Division and whilst our performances were to say the least, open to conjecture, **Mr. Spring** thanked those who had taken part. Albury pennant skipper **Harry Atkinson**, defeated Corowa's **Bob Adlington**, in the semi final of the Ovens & Murray Singles Championship. Saturday 27th September, 12 clubs from the Ovens & Murray District visited for Opening Day. Winners were **A. Lee, L. Wood, J. Dean and R. Stanton.** The inaugural Trophy Night Presentation was a great success. **Annual Tournament** Full rinks, and a strange fungus on the green highlighted a full weekend. **Saturdays winners : Rutherglen, (T. Buckingham, W. Jones, R. Gray, and S. Downes) Sunday. Chiltern (R. Howes, R. Dyer, K. Howes.) Monday. Benalla : (J. Roach)**

F. SPRING PRESIDENT

KEY YEARS AND EVENTS 1967 - 69

A.G.M. 1967 Attended by 35 members. Apologies received from 11 President Fred, thanked all members for a very successful season , even though the pennant teams lacked the experience to make the finals. He said it was a great way of meeting better bowlers , and increased the members social lives. **Diggers Day** was a great success with players being ballotted out owing to the huge number of entries. **Winners ; W. Bryant, G. Tyrell, R. Adlington , P. Smith.**

Membership has risen to 85 this season with quite a few younger bowlers getting the fever

A.G.M. 1968 Two valuable past members , passed away this season.. **Mr. Mick Kelly and Mr. Bob Whinray**, both very much involved at the club until ill health forced their retirement . **Mr Whinray was a V/Pres.** A more successful season was had by the pennant boys, and with a little more luck in their early games , would have troubled the leaders.

A.G.M. 1969 12 new members willing to play bowls was welcome news for members at the A.G.M. It is hoped that we will reach 100 members very shortly. It was most pleasing to see the revival of the **Issac Davis Cup** and a most pleasurable night was held at the Corowa Club. It was decided that an annual affair will be held with Howlong each year with alternate venues. The club lost 2 valuable members in **J. Ferguson** and **I Davis**. during the year. **Annual Tournament** winners were, **G. Tyrell, J. Skehan, and J. Roach**. The new season got under way with 16 teams lining up. Veteran **Ambrose Phillips** rolled the first jack and all present, commended the club on the condition of the green. Winners, **G, McFarlane, R. Nesbitt, N. McFarlane, and W. McLean.**

COROWA SERVICES BOWLING CLUB
PRESIDENT'S REPORT FOR
1973-1974

It is with pleasure I submit my first annual report for the year 1973-74.

I feel the year has been a good one. Our social games were well attended especially by our ladies.

The pennant teams did well but I feel we can do much better.

We had a visit from P.T.I. Bowlers from Melbourne, which was a very enjoyable day.

At this dinner we had the privilege of O. & M. President Ran Wilson and Delegates Jack Burke who presented our member Jack Izon with his super veterans badge and our club presented past President Fred Spring with a life membership for his untiring work with the club.

I would like to extend my thanks to Mrs Parkin and ladies for the very nice dinner which they prepared for the visitors on that occasion

My thanks to the ladies in preparing afternoon tea for our visiting pennant teams.

I must thank my Committee who did their job very well. Also our Secretary L. Farrell for the untiring work and organising of all functions.

My congratulations to winners of our championship games.
J. Beveridge - A grade champion; Runner up - L. Farrell.

B grade - Our pairs and rinks were not completed as washed out by bad weather.

The triples were won by J. Whyte, T. Emerson, G. Nixon. Runner up R. Maclean, J. Rowland, J. Mitchell.

I must say our greens finished up in a disgraceful mess at the end of season due to some very humid weather over a few evenings. We hope to put down new grass at the end of 1974-75 season.

In conclusion I wish to thank all our members and ladies for their support during the year and we look forward to your support for the ensuing year.

Ray Maclean,
President Services Bowling Club.

R.S.L. Extensions

It was revealed early in December that the R.S.L. Club were planning a \$1 million extension to the clubhouse and that work would begin in early January 1982. It will be a 2 storey complex using the area of the remaining old clubhouse, a section of which was formerly Dr. Barnards home.

The R.S.L. started between 1944 - 49 when about 40 "originals" kicked things off with 2 pounds per head. Club records show that it started with 5 tables and 20 chairs. Financial matters were covered with a hired cash register for a period of 3 months. Work on the new building is hoped to be completed in 15 months. Contractor was Max McLean.

KEY YEARS AND EVENTS 1982

1982 The 25th Easter Carnival commencing on Good Friday has attracted some 4000 entries for the 10 day duration of the carnival. Bowlers are competing for prizes to the value of over \$4000. Entries in the Mens Pairs and Mixed Pairs are enormous, and to accommodate all, the Tournament committee has arranged with **Corowa Services** to have two fills on all greens.

A.G.M. 1982 Wal Nixon was reelected for his 9th term. No Pennants were won for the season but, the Gold team managed to be runners-up.

The lady bowlers have been forced to disband owing to the lack of numbers, and one would hope that things can be righted by the membership increasing in the future.

25th Anniversary

After many months of planning, the Corowa Services Bowling Club held their Silver Jubilee Day of bowls at the Services Club. In all, 100 bowlers competed on the day which was a great success.

Corowa Services would like to thank Petrie Ford of Corowa for assisting with the sponsorship of the day's event. Sponsorship is a big thing these days and Petrie Ford did a really fine job in this regard.

President Wai, in welcoming the head of bowls from Victoria, Mr David Parker and the President of Ovens and Murray Bowls Association Ken Greaves, said that it was a first for the Corowa Services Club to have both Presidents taking part on this important day at the Services Club.

Mr Parker in his opening remarks said how pleasing it was for him to be representing the RVBA in his first official visit to the Corowa Services. He also congratulated the club on

reaching 25 years, but he also said how young the club was compared to some of the older clubs connected with the RVBA. Ken Greaves said he also was pleased to be invited to be present to assist the club in celebrating their Silver Jubilee. Ken's team from the O & M was Vice Presidents Len Bown and Doug Perrin, and life member, Jack Edwards.

After playing one game of 10 ends and 2 games of 8 ends, with a double fill to boot, 4 teams finished up winning all 3 games. Bob McCoach's team from Fawkner had 62 points, Corowa Services official team consisting of Wai Nixon, David Parker, Peter Smith and Doug Barron 66 points. Runners-up were the Ovens Bowling Club with 67 points and the winning team was from Milawa with 69 points. Bert Taylor and his team from Milawa won the inscribed silver goblets, all eight of them showing that they were the best team for the day.

Mr Don Spencer of Petrie Ford of Corowa thanked the club for the opportunity of supporting the Services Club with sponsorship on this memorable day and he also hoped that Petrie Ford might get a similar chance at a near date.

All the ladies who assisted throughout the long day were presented with 25th anniversary glasses along with all the bowlers who competed in the day's bowls, also foundation member and 'Cook' Ken Brown.

It was very pleasing to see Norm Hamilton, Pat Salmon and Harry Martin in attendance as they also are foundation members of the Corowa Services Bowling Club.

Mr David Parker presented President Wai Nixon and Secretary Doug Barron with RVBA badges. Wai Nixon in return presented David Parker and Ken Greaves with Corowa Services badges.

Everyone praised an excellent barbecue lunch.

All who took part must have an excellent day. All except the President of the O & M, Ken Greaves. Someone wanted the badges on his bowls jacket more than Ken did. (Wouldn't it be nice if they were returned to either the Myrtleford Bowling Club or to the Corowa Services Bowling Club.

DAVIS TROPHY

Thursday March 24 is the return match for the Davis Trophy. The Services Club would like all members to take part on this night. The first night was played at the RSL and the score was 118-104 in the Services' favour.

CARMICHAEL HARDWARE

More names are required for the Carmichael's Hardware trophy day at the Corowa Services Bowling Club when s/o triples are played starting at 1.30pm sharp, and of course, the day is Saturday, March 26.

Mr Fred Spring was pictured receiving Life Membership badge from the Corowa RSL Services Bowling Club and the R.V.B.A. Mr Spring received the badges from R.V.B.A. President Mr David Parker.

President Wal Reported a very good season by both teams. He was ' *disappointed with the attendance at social bowls* ', and the lack of help from members for club fund raising efforts. He thanked Doug Barron for his efforts as secretary and wished him well in his new venture.

1984 was spoilt by having very fair weather during the season.

For the first time , both of the pennant teams made the semi – finals.

The Gold team was eliminated in the first playoff, but the mighty blues went one better and made the grand final only to be satisfied with second place. A few more members are wanted to help out with the fund raising efforts on a Friday night.
