## SERVICES BOWLS TALK

Club members were all very keen to see the new green, and those that can take a look at it at the moment would be pleasantly surprised to see how good things are looking around the place. Everything is pointing to a great year of bowls at the RSL.

Selectors for the coming year are Ken Sendy, Howard Fitzgibbon, Bill Sorenson, Gerry Naughtin and Jim Hetherington.

Norm Parr, the new secretary, would welcome anyone in the area that would like to bowl with the club this year. Contact Norm on 33 1599 or enquiries can be made at the RSL, Betterment Parade (33 1022). Beginners would be welcomed by Allan Richardson, club champion (33 2020).

## SERVICES BOWLS TALK

At the recent annual meeting and election of officers, Wal Nixor was elected unopposed as president for the ensuing 12 months.

Anyone who puts a bowl down in the area knows Wal. He has been president of the RSL bowls now for six years, and it's an easy task to see why as one looks at Wally going about his duties in the most proficient way.

Ken Sendy was a great support for Wally for the last three years. Ken has retired as secretary this year and no doubt he will be missed in that field, but he will give the selectors panel a great deal of support for the year ahead.

## SERVICES BOWLS TALK

Corowa Services bowling green is now in its 21st year, being officially opened 8-3-1958, and what a great occasion that must have been.

The rain the previous night had caused anxieties on whether the green would be fit for play by the following afternoon, and the committeemen worked late into the evening draining the water from the surface.

The sun peeped through the clouds on that Saturday afternoon, the rain having cleared and Mr Clem Hill (Albury), representing RVBA, declared the green open for play.

It was reported (Free Press, 11-3-58) the president of the United Servicemen's Club, Mr Sammon's, in welcoming guests recalled that the club had been in existence only eight years.

• The list is now up for pennant teams. Place your name on that list.

Opening day looks like being early September.

The day is to be in the form of mixed rinks, select your own team. Already there are a lot of teams entered for this day so you cannot afford to delay getting teams together and enter.

It is also pleasing to report that Opening Day has been set down for Sunday, September 9. This day is men's day in the form of rinks. Already there are four teams from the Albury area entered and anyone wishing to be a part of this important day may enter at the club or just give the secretary, Norm Parr, a ring (33 1599 business hours).

## SERVICES BOWLS TALK

At the committee meeting of the Corowa Services Bowling Club on Monday, July 27, Howard Fitzgibbon tendered his resignation from the club as he has been appointed bowls organiser with the Corowa Bowling Club.

In wishing him well in his new appointment, President Wal Nixon thanked Howard for his years of service and devotion to the duties allotted to him. More particularly, Wal said that Howard would be sadly missed at pennant time. These remarks were endorsed by all other committee members.

Forward dates and times to remember are: Next Sunday, 1 p.m. start. Opening Day has been put forward to September 16 and it is select your own teams. September 9 is now Social Bowls, 1.30 p.m.

## SERVICES BOWLS TALK

Last Sunday everyone had their fingers crossed for the day to be fine and although the last hour or so got rather cold, it really was a nice day for bowling.

The eventual winners after playing off to the yard stick was W. Sorenson's team with eight bowls inside. Runners-up were E. Mensforth's team followed by A. Richardson's team.

Next Sunday social bowls will be held. Names in by 12 noon for 1.30 start.

The following Sunday, September 16, is opening day. Select your own teams.

## SERVICES BOWLS TALK

Next Sunday, September 16, is Opening Day at the Corowa Services Bowling Club green, proceedings starting at 1.30 p.m.

Last Sunday was very disappointing and the day's bowls had to be cancelled.

Players who are desirous of playing pennant bowls must add their names to the list as soon as possible. The club is hoping to arrange pennant practice games within the next weeks so that the selectors can get their eyes on the action.

Red Gum Cup day has almost arrived again, this cup played for annually between Howlong and the Services Club. The date for this is Sunday, September 23, played at home. Names on the board please.

## Services Bowls Talk

Last Sunday, September 16, the opening of the Corowa Services Bowling Club greens for the 1979-80 season got away to a really great start, with a good day and good greens.

Eight clubs in the area were represented including Windsor Park, Corowa, Rutherglen, Howlong and Chiltern.

Club president, Mr Wal Nixon, welcomed all visitors and locals, and wished them a happy and good day's bowling. Wal also asked the visitors to convey to their clubs best wishes for a good bowling season.

Mr Owen Jeffers, representing the RSL president, Mr Jack Bartlett, wished the bowling club continued success for the new season, and after rolling down the first bowl officially declared the greens open for play.

After three games only two rinks had won all three games, and in the play-off Windsor Park No. 1 team (Clem Hicks skip) won from Howlong (Wal Chambers).

Now that the start has been made, the greens will be open each Tuesday and Thursday afternoon and at the weekends — come along and have a roll.

Programmes can be obtained from the RSL, also from Norm Parr.

Next Sunday is Red Gum Cup day and more players are still needed for this important day.

The club is sending an official team for opening day at Howlong on the 30th of this month.

Thursday, September 27, 1979

## Services Bowls Talk

The annual grudge match for the now famous Red Gum Cup was played last Sunday, September 23.

Six rinks representing the Howlong club put up a great battle, but the locals came out the victors. One doubts whether the high scores recorded were the right indication of the day's play.

Congratulations go to Howlong on bringing with them their brigade of young bowlers, some having had two or three games before.

The highest winning rink was skipped by W. Sorensen and if that's the way Bill is going to play in the future the opposition better be on their guard.

The runners-up trophy was won by Clive Walters skip, and it was said he played his usually good game.

President Wal Nixon, in presenting the Red Gum Cup and trophies, said that it was anticipated that the cup would more than likely be competed for twice in the season, and that if this did eventuate then Corowa Services would be travelling to Howlong some time next year.

Dates to remember: Sat., Sept 29, Pennant practice; Sun., Sept. 30, Social bowls.

## STILL TOO WET FOR BOWLS

The bowls scene has not improved since reporting last week's talk, but there must be a chance of better weather in the future.

It has become quite evident as to the enthusiasm of the bowling fraternity, each Tuesday and Thursday afternoon.

Until the sun goes down, the club bowlers have been rolling up to the Jackson Street entrance with really good practice sessions, and to think that all that effort had to be curtailed by rain, but there must be better Saturdays ahead.

The club's greenkeeper, George McKinnon, has been doing a fine job with the greens.

George, in his own words, said he is anxiously awaiting the arrival of the new mower and roller, as he will do even a better job on the greens, and who could ask for more.

## PENNANT PRACTICE TEAMS

This Sunday is pennant practice and the following teams have been chosen to play at the Corowa Bowling Club at 1.30 p.m.

Doug Barron (L), Ian Rogers, Ron Browne, Andy Farrell (S); Mark Limbrecht (L), Ian Gyles, Joe Rowland, Ken Sedy (S); Frank Evers (L), Jim Hetherington, Jim Beveridge, Reg Thomas (S); Keith McDonald (L), Robert Hall, Jim Spence, Doug Davidson (S).

Pennant players are required to attend for bowls practice at Services greens at 1.30 p.m. on Saturday.

This day and time is important to all.

Ladies opening day is on Saturday, October 21, so ladies please write your names on the board, and make this a day to remember for 1979.

# Bowls washed out

After such an excellent start to the bowls season in the proceeding weeks, last week-end's bowls were washed out by rain.

While the bowlers had long faces, the farmers in the club, had grins like Lunar Park.

What about all the dark horses — it looks as though they will have to save themselves up for a later date.

Of course, rain is not so

unusual in the area, it almost held up the opening of the R.S.L. greens back in 1958 and again three or four years after that.

A lot of keen interest is being taken with all the names on the pennant list for the season.

The selectors will be busy trying to get all 40-45 bowlers into the respective positions.

But, they have been able to overcome small difficulties such as that in the years gone by.

## PENNANT PRACTICE TEAMS

After many hours of deliberations the selectors panel have chosen the following teams to play pennant practice on Saturday at the Corowa Bowling Club.

Doug Barron (L), Ian Rodgers, Ron Browne, Bill Sorensen (S); Don Nor-

man (L), Ray Bourke, Joe Rowlands, Ken Sedy (S); Frank Evers (L), Norm Parr, Jim Beveridge, Reg Thomas (S); Bill Roach (L), Keith McDonald, Jim Spence, Doug Davidson (S).

These games are to commence at 1.30 on the same day and at the same time the following teams are to play at the R.S.L.

Bob Gulliver (L), Mark Limbrecht, Bruce McCall, Bob Hall (S); Col Bater (L), Jack Donohue, Jack Mitchell, Andy Farrell (S); Ted Clack (L), Geoff Northey, Jim Hetherington, Wal Nixon (S); Max Sharp (L), Ian Gyles, Gerry Naughtin, Bill Bryant (S).

The emergencies are from the following: Allan Morris, Leo Farrell, Mal O'Halloran and George McKinnon.

Social bowls next Sunday, Oct. 7, and pennant practice on Sunday, October 14, then on Saturday, October 20, the Golds v Chiltern and Rutherglen v Blues.

## Services Bowls Talk

...though Saturday last was a day of unsettled nature, 14 ends were played before play was called off.

Then on Sunday, the Services Club were invited to practice at the Corowa Bowling Club and four pennant teams from Services had a very enjoyable day.

Many thanks to the Corowa Bowling Club for allowing us the opportunity to practice against their Gold team.

Although two Service teams had their scores in front at the end of play, the overall total scores were not announced.

Also, on Sunday president, Mr Wal Nixon, ventured to Albury to play in that famous tournament, the Farrer Cup.

Wal took with him Bruce McCall, Bill Bryant and Bill Sorenson and although they may not have been victorious, the teams that did meet them now know that Corowa Services is a force to be considered.

### PENNANT TEAMS

Jim Hetherington (L), Norm Parr, Jim Beveridge, Reg Thomas (S); Doug Barron (L), Ian Rogers, Ron Browne, Bill Sorenson (S); Don Norman (L), Jack Mitchell, Jim Spence, Doug Davidson (S).

## Services win opening pennant round

The two Services teams had success in the opening round of the Ovens and Murray pennant bowls competition, played last Saturday and Sunday.

On Saturday, at home, the Gold team came out winners against Chiltern.

Doug Davidson and his team won 28-16, Reg Thomas and his team went down 24-27 and Bill Sorenson's team won 20-17 in what was a very hard tussle for all.

Doug Davidson had a very good game, keeping their score in front all the way and congratulations to you Doug, and your team on being the highest winning rink for the day's play.

The remaining two

teams had a neck and neck struggle all the way and the overall score was a fitting result to all concerned for an excellent day's play.

### RUTHERGLEN v SERVICES BLUE

Because of the Rutherglen Show held last Saturday, the game between Rutherglen and Services Blue was held on Sunday.

The Blue team came out victorious at the end of play.

Billy Bryant's team won 32-12, Wal Nixon unfortunately went down 32-19, which when one adds up that score, brings out Service Blue the winners 85-55.

With a score like that Services Blue team goes to the top of the ladder.

That is a first for the side and a hearty good wishes to each and everyone of those responsible for such a really great effort.

### LADIES OPENING DAY

While the Blue team was at Rutherglen on Sunday, the ladies of the Services Club had their opening day.

It was a very successful day and all eight rinks were filled with lady bowlers from all the surrounding clubs competing.

The eventual winner was Mary Witherden's team (Corowa), runners-up was Ida Smith's team (Wodonga).

Mrs Flo Williamson, of Rutherglen, who is the North Eastern president of ladies bowls association, opened the day's proceedings and wished the ladies of Services Club all the best for the ensuing year.

Mrs Glad Sorenson also announced that there is to be bowls for all ladies, visitors are also welcome each Tuesday.

# Services Bowls Talk

There has always been a saying in newspapers that if a dog bites a man — that's not news — but if a man bites a dog — that is news.

The moralisation to this story is that Services bowling teams are not sure if there is any adage to cover that story.

But, last Saturday, both teams were beaten on their merits, and they are sure to bite back, if given a chance.

The overall result at Wodonga was that the Gold team went down by one shot after a total of 75 ends of pennant play.

The Services team, after the same amount of ends, went down by 26 bowls, and both teams are sure to fight back.

## Pennant scores

Doug Davidson's team was the only winning rink at Wodonga, 35-22.

Bill Sorensen's team went down 22-24.

Not only did the Gold's have to compete against a fast green (for this time of the year), but their was some fine bowlers in the opposite teams and the wind was also a specialised opponent as well.

Bruce McCall, the manager of the Blue team, did say how well the greens were playing at home, Wal Nixon's team winning by 11 bowls.

Ken Sedy's team went down by 16 bowls, while Andy Farrell's team lost by 23.

At home the scores were, Reg Thomas won 25-22, Doug Davidson's team went down 18-44 and Bill Bryant won 41-21, which when one adds up the score brings the Gold team out winners by 17 shots.

## WANGARATTA v SERVICES BLUE

Playing on a green running at 14½ seconds plus the Blue's went down by nine shots and everyone is wondering how much more was expected from the teams.

Ken Sedy's team won 23-22, Wal Nixon went down 36-19 and Andy Farrell's team won 24-17, the nine bowls difference means that the Blues were beaten, and everyone is hoping for a win for both teams in the weeks ahead.

## Talk

### MILAWA v SERVICES GOLD

When the bus left for Milawa with the Gold team last Saturday, each of the bowlers had a mental impression as to how they were going to bowl on the day.

But, after seeing the green, their apprehension was soon at ease, and, although they only won by seven bowls, each of the skips thought it could have been more. 75 to 68.

### SERVICES BLUE v OVENS

While the Gold team were all smiles at Milawa, the Blue team, at home to Ovens, weren't of the same face.

They went down by nine bowls and each of the games at home could have gone either way.

Bob Hall went down by three shots, Wal Nixon by three and Andy Farrell's team by three, the total score being Ovens 69, Services Blue 58.

### CLUB CHAMPIONSHIP

The club A grade championships have got underway and already there are some surprise results.

The second round results should be played and marked on the board by Sunday, November 25.

Those bowlers who were to have played last Sunday and couldn't because of rain, are asked to do so this week.

### SERVICES GOLD v SERVICES BLUE

This Saturday, the Gold team play host to the Blue's and one wonders if that is all they will do.

The following teams have been selected to play Gold's home side:

Bill Bryant (s), Bill Sorensen, Ron Brown, Ian Rogers (L); Reg Thomas (s), Ken Sendy, Jim Beveridge, Jim Hetherington (L); Doug Davidson (s), Jim Spence, Jack Mitchell, Don Norman (L).

Blue team: Andy Farrell (s), Bruce McCall, Jack Donoghue, Doug Barron (L); Wally Nixon (s), Norm Parr, Leo Farrell, Max Sharp (L); John Skehan (s), Bob Hall, Ian Gyles, Frank Eyles (L).

Managers, Gold Ron Browne, Blue Doug Barron.

Reserves are from the following: Joe Rowlands,

### TALENT MAKES CERTAINTIES

Many of the readers of this newspaper are aware of the famous quotation, that the only difference between those things in the zoo and the people who gaze at them, is, that mankind has learnt to communicate, and to this extent the Services Blue team last Saturday had trouble sharing any thoughts with the Gold's, who came out winners by a total of 46 bowls.

Bill Bryant's team came out winners against John Skehan's team 29/16, Doug Davidson's team beat Andy Farrell's team 37/17; and Reg Thomas and his team won 29/16 against Wal Nixon's team, but then again nobody thought that the total score would be so great.

### CLUB CHAMPIONSHIPS

Members who couldn't play off as yet, are asked to do so this week, as the third round must be played as soon as possible.
