

COROWA SERVICES BOWLING CLUB

SECRETARY'S REPORT FOR

1973-1974

Ladies and Gentlemen,

It is with much pleasure I submit my Report for the Bowling season of 1973-74 as Secretary of the Corowa Services Bowling Club.

Once more our Social Bowls proved to be very successful both on Thursday evening and again on Sunday afternoons.

Our Pennant teams showed that with a little more luck they would have finished higher up the ladder, but still made their presence felt considering as they were in a higher and stronger section than the previous year.

Perhaps the highlight of the Pennant players was the winning of the Jack Dennis triples shield for the third time in four years.

To all championship winners those that we were able to complete and also all trophies winners my congratulations and hope to see you again next season.

On behalf of the Committee our thanks to Reg Thomas who again did a wonderful job as our publicity officer.

To the wives of all the bowlers who helped with afternoon tea we thank you as it was very much appreciated by all.

Our president Ray Maclean in his first year as president of the Bowling Club did a wonderful job and we all hope to see him back in this position for the next coming Bowling season.

My personal thanks to all the Committee of both the Bowling and R.S.L. for their co-operation during the 1973-74 season.

With this I conclude my report.

Yours faithfully,

Leo Farrell.
